pearance." Mr. Gaacuber known rest. Old war-bornes have been known to form in line and charge at the sound of "heaven" a stillery." "Who says atrocity?" the humorist imagined Mr. Gladstone remarking and lifting at once "hie warlike head." But at once "hie warlike head."

apple of discord among the mane. Nor could the Frenchman
to feels most bitter against Germany
we desired a more complete effacenate of the reputation that Bismarch
joyed when he was canhiered by
sat at the time seemed an act of
gratitude on the part of the new
inter, but which was, no doubt, an
t of great prescionce and wisdom.
"Twelve Billess from Town."
That lover of "the repose that
rells in the mesdows and under the
see and on the hilltope in the
untry"—Elichard Jefferies—found
if a few miles beyond the London
dius wild birds and animals in
fficient numbers to be a constant
numbers and a most pleasant study,
selve miles from town, in the region
his little country house. Jefferies
ted flocks of chiff-chaffs and willow
rens. Precently a nightinguis sang,
do one morning almost underseath
a window there was a hea pheasant
the farms. "They used to say in

of them.

The Robber's Golden Ags.
The scoundrel once justice is quit him, has a right to be appraised his actions, not by their effect; and dies secure in the knowledge that is commonly more distinguished, if the Rosds and landed at the jetty. I be less leved, than his virtuous went round the wards with him, and temporaries."

In a pleasant vein graician Mr. Charles Whibley has titten for the varied press of William internant "A Book of Scoundrels."

In a description of the varied press of William internant "A Book of Scoundrels."

In the round the wards with him, and temporaries. "In a pleasant vein demanour to the sailors; he stopped as the proposed process of the sailors of the varied press of William internant "A Book of Scoundrels." middle of the Jun on the problem are for the problem and the robbed. Both accepted the rules of the game. The thief took his toll with a gallant air; the traveller yielded his pure with a maiable submissiveness. Later times, later manners; the art of highway have a submissiveness. miable submissiveness. Later times, ater manners; the art of highway obbery became vulgarised, and a cerain impatience of the robbed reduced politicness to murder. Then the honest sanded themselves against the rullies and the thief. Presently the mounted patrol appeared; then the police. And to the highwayman degenerated into the nighwayman degenerated into the company promoter and financier of tendar, and the nightweeneans of merenned at Lambeth with assessiting his content has been recently advanced in the company promoter and financier of to-day, and the pictures guarane and the company promoter and financier of to-day, and the pictures guarane and the pictures guarane and the company promoter and financier of to-day, and the pictures guarane and guarane g

were the precursors of Hind, and Claude Duval; and had though that be, they are far better models that Peace and Jabez Balfour. The wheel

ich history more hearden ich history more ich history more ich history more ich history more and the present in history more than the present to throw ple of discord among the more opportune moment in which more could the Frenchman sels most bitter against Germany desired a more complete efface of the reputation that Bismach ed when he was nashiered by at the time seemed an act of tittede on the part of the new, but which was, no doubt, and of great prescience and wisdom. Newlye Miles from Town, has lever of "the repose that file in the meadows and under the eard on the hilltope in the mary". History of "the repose that file in the meadows and under the eard on the hilltope in the mary". History of "the repose that file in the meadows and under the eard on the hilltope in the mary". History of "the repose that file in the meadows and under the common, gave chase and on the hilltope in the mary marked by the search of the search of the search of the repose that file in the meadows and under the common, and when it aprang up again the search of the s

ment itself.

"Spoiled for Fishermen."

There is something, to my mind, singuiarly pathetic in the incident of Nelson's reception at Yarmouth on the letth of November, 1800, after the battle of the Nile. I unearthed the record from an edd old book about the famous fishing port. When the famous fishing port. When the great Admiral stepped ashors he was greated by an enthusiastic crowd. A greated by an enthusiastic crowd. the country. Leeds every year to go further away from Leeds such its hills and dales and flash streamer that once upon a time fed the busy town itself. Bristo, mouth, and Bath are more sanity situated than almost any critics for the grace and charm heir surroundings. Once upon a construction of the surroundings. Once upon a construction of th

seon with which as ied him. You!" Mr. Townsend's voice rang laughter. "Well, my man, what you want with me—charity?" learander put up his hand, as if to a his injured mouth. It isn't only that." No? What slee is it then?"

He was shown at once into Miss Jardine's own sitting-room, and there he found the lady.

Miss Jardine's own sitting-room, and there he found the lady.

Miss Jardine was short and slight. Although she was not handsome, she looked negligently round, as if indifferent who the new papearance, her bearing, her more-papearance, her side her bear her bearing, her more-papearance, her side her bear her bearing, her more-papearance, her side her with the head bear her bearing, her more-papearance, her bearing, her more-papearance, her side her with the sevent her more her bearing her mo

Tou have sent for me. I have come."
Going to the fireplace, Miss Jardine stood with one foot upon the kerb. Her hands were behind her back. Her face was inclined a little upwards. She reminded one somethow, of a bird—a resemblance which owed comething, perhaps, to the brightness of her eyes.

thing, perhaps, to the brightness of her eyes.

"I have one or two questions which I wish to ask you. You must answer them. First, do you love me?"

"You must forgive my suggesting that that is searcoly the first question which you should ask me. The man in the street may love you. It does not follow that he is worthy."

"But if I love him?"

"But if I love him?"

"But if I love him? a slight movement with his hands. He was exanding in what, to the average Englishman, is a rather trying position—in the centre of the room, away from any article of furniture, with his arms hanging loosely at his sides; and yet he looked well.

"He may love you. You may love him. And yet any connection with

and on a top hat which was battered as the way the triumed out of all semblance of its brightal shape. His overceat, which reserves with income rate of the reserves with income right up to the countral antity to conceal and the gutter with its owner intended in the gutter which suggested not unnatural anxiety to conceal anterial deficiencies in the rest of his stire. His countrannes bore evidence of having been recently subjected to serious ill-usage. One gye was ornamented by a purple patch, the skin of his right other was ob heldy out as, to say the least, to render it highly inconvenient for him to be compelled to open his lips.

The sorry spectacle was Stewart Travancia, alias Alexander Taunton, alias Alexander Taunton, alias Mexander Taunton, alias Alexander Taunton, alias Mexander Taunton, ali

CHAPTER XXXVIII.

She was very far from being an illleoking woman, as she stood there
with smiles puckering her lips, and
beeping from her open.

"If he should suppose that I am not
in earnest. His experience may teach
in that many women never are in
earnest. His experience may teach
in the many!"

Raising her right hand, she began
affact on the straight price of th

"Why doesn't he come?"

Even as the words were on her lips, at the hall door there came a knocking. She went red and white, despite the aids of beauty! She caught at a chair, as if desirous of having something to lean against.

Thank God!"

Then, as if conecious of the incongruity of such words upon her lips, ahe put her hands up to her face.

"Oh, I'm so glad he's come!"

Someone outside had hold of the handle of the door, She uncovered

OUTRAGE AT EAST SHEEN.

Particulars have only just transpired of an assault on Mrs. Buchan, housekeeper at East Sheen Lodge to the Duke of Fife. Mrs. Buchan has been connected with the duke's family for many years. On the day in question she left East Sheen Lodge to the Duke of Sife. On the day in question she left East Sheen Lodge to the Duke of Sife. On the day in question she left East Sheen Lodge to go to the Presbyterian Church at Richmond. At about 1 o'clock she set out to walk shome by the market gardens which adjoin Sheen Common. When the word also been decided to increase the passing through an orchard which is a short out to the lodge, Mrs. Buchan absoluted a young of the Croydon retained men by Zi to the Thorse of young man walking slowly in front of her in the same direction as she herself was groing. He was go

Gill presented for the Trees.

piece. In the front sitting-room there were 6 chairs, a table, with a pair of curtains lying on it, and a pair of trougers, with braces attached, bearing marks of burns, as if from nitric soid; also an old brown leather bag, apparently of American make. The fumes of the acid in the pail were very strong; they filled the kitchen, and, passing into the open, made the neighbours shut their windows.—Esmanded.

was rejected by 28 to 17 voice.

CHARGE WITHDRAWN.

At the Mansion House, Birt 8t. Albyn Jenner, living at Nichols Nymet, near Teunton, was charged on remand with heiring, in December, 1984, obtained \$2,000 by false prevances from Mr. Cole, with intent to defraud.

Mr. Shearman, for the prosecution, saked leave to withdraw the case as it was of a complicated churcher. It had been ascertained that the manriage petitioner, which was supposed to consequently and the manriage prosecutor's accuraty of no value, only related to a portion of the property.

Accused was discharged.

THE AMERICAN ELECTION. Next Tuesday, the American people

PEOP

division we man tower of the constituencies which are given changing their minds. In 1885 Radicals won; mark year the Unite captured the seet; in 1892 Radicals regarded it; three years I they again got notice to quit. In an evenly-balanced constituency that it is surpremely necessary 'IN THE MIDDLE CADER OF MANKIND ARE GENERALLY TO BE FOUND ALL THE AETS, WINDOW, AND VIRTUR OF BOCISTT. THIS CADER ALONS IS KNOWN TO BE THE TRUE PRESERVER OF FREEDOM, AND MAY BE CALLED

will elect s accelerate the united States. So utterly contradictory are the electioneering statistics published by the managers of the two parties, that it would be most reals to feel confident about the result. Mr. McKinley, the Republican candidate, has the support of the Eastern States, while his Democratic antagonist is immensely popular in the Western States. But between these territorial lines of demarcation are a number of intermediate States, which may vote one way or the other, and as both candidates Caim

great encouragement to the several ary elements of cosmopolitan society, that of Mr. McKinley might deal a most deadly blow to our trade with the United States. The upshot of the contest is thus bound to be more or at the several THE NAVY EMPLOYMENT AGENCY.
